

Aurora High School Area Passed By York

Aurora—Aurora was officially approved as a high school area at the closing sessions of York county council last week. Aurora, which includes all of King township and part of Whitechurch township, and Long Branch were the only two areas approved and given the green light by the Ontario department of education.

Aurora officials had presented a clear, concise plan to the council and the department, and had both the population area and the five million dollar assessment the department feels is necessary to ensure the success of the plan. It is likely that the present system will continue until January 1, when the new area will officially take over. There will probably be no changes until 1948.

The high school area question created great controversy in county council, as the plans for areas at Stouffville, Markham, Richmond Hill, and Sutton were not given departmental approval, for grounds not disclosed but thought to be because of either lack of population or assessment, or incomplete details. Municipal and school board representatives in these areas are trying to straighten out the matter with the department, and if successful, Warden Charles Hooper has agreed to call a special session of county council to pass the necessary legislation.

County Solicitor J. D. Lucas gave as his opinion that county council may pass by-laws enlarging high school areas first, and get the government's approval afterwards, but can't pass by-laws setting up new high school areas without getting approval beforehand. By-laws as a result were passed enlarging areas at Richmond Hill, Markham, and Stouffville, which now only need governmental approval.

Factories To Give Free Time For T.B. Examination

Newmarket—Alex. Belugin, chairman of the publicity committee for the forthcoming T.B. canvass and clinic, said yesterday that arrangements had been completed for the allotment of time for employees of the major industries in town, and for students of Newmarket high school. Dates of the x-ray clinic which will be sponsored by the Newmarket board of health and conducted by the Gage Institute under the National Sanitarium Association, are July 18-24 inclusive.

According to Mr. Belugin, the entire morning of Friday, July 18, has been reserved for students of Newmarket high school. "Friday afternoon from 1.15 to 4.15 has been reserved for employees of the Davis Leather Co.," he continued. "Saturday morning, July 19, has been reserved for employees of the Office Specialty Co., and for other high school students. The following times have been reserved for Monday, July 21, Dixon's Penell Co., 10 a.m. to 10.45 a.m.; International Wood, 10.45 a.m. to 11 a.m.; Hoffman's Machinery Co., 11 a.m. to 12 noon; Sangamo Electric Co., 1 p.m. to 1.25 p.m.

"The rest of the time remains unreserved and free for any citizen," Mr. Belugin continued. "The canvassing committee will begin its survey shortly, and it will be the duty of this committee to see that any questions concerning the clinic are answered, and to arrange for as many appointments as possible. The x-rays are absolutely free, and no member of the canvassing committee will ask for any money. No one has any authority to ask for any money in connection with the survey or the actual x-ray, and anyone attempting to collect money for that purpose should be immediately reported.

"No one will be asked to disrobe when he or she is x-rayed, and the canvass captains and the unit committee will see that time for x-rays is distributed as equitably as possible so that no one will have to wait to be x-rayed."

Newmarket, Aurora Iris Shows

Newmarket—The Newmarket Horticultural Society held its annual iris show at Trinity United church Sunday school rooms on Saturday with several members showing their blooms for the first time. The judge of the show was Mrs. John Klees, Aurora. The show was well attended.

Also displayed were over 40 drawings of the school children of Newmarket which had been submitted in the recent art contest sponsored by the society.

Eugene McCaffrey won the judge's selection for the best iris exhibited at the show.

Winners were: best three iris, purple, Edward Brammer; Eugene McCaffrey; Mrs. C. Peterson; best three iris, light blue, Mrs. C. Peterson; Miss Lou Newton; W. C. Hill; best three iris, dark blue, Sisters of Providence; W. C. Hill; Miss Lou Newton; best three iris, lavender, pink or mauve, Mrs. C. Peterson; W. C. Hill; Edward Brammer; best three iris, yellow, Eugene McCaffrey; Mrs. C. Peterson; Edward Brammer; best three iris, bronze, Eugene McCaffrey; Jim Gibney; Helen McBride; best three iris, any other color, Eugene McCaffrey; Howard Proctor; Ed Brammer;

Best collection, ten iris in basket, Eugene McCaffrey; Edward Brammer; Mrs. C. Peterson; best collection of pyrethrum, Howard Hugo; Miss Lou Newton; Jim Gibney; best collection of aquilegia, Jim Gibney; Howard Hugo; Miss Lou Newton; best collection of lupins, Jim Gibney; Miss Lou Newton;

Best collection of pansies, not more than 25 in arrangement to count, Jim Gibney; Mrs. C. Peterson; best single iris, any color, W. C. Hill; best three iris, white, Mrs. C. Peterson; W. C. Hill; Ernest McCaffrey.

The peony show will be held in the Christian church, Saturday, June 28.

PEONY SHOW

Newmarket—The Horticultural Society will hold its peony show Saturday in the Christian church.

PROHIBIT PARKING ON PART OF MAIN ST.

Newmarket—Acting on a recommendation of the police committee, a motion was passed at the meeting of the Newmarket town council on Monday night to the effect that "no parking" signs should be erected on one side of Main St. prohibiting parking between Timothy St. and the Chainway store. Councillor R. C. Morrison, chairman of the committee, said this was the first step in prohibiting parking on the whole of one side of Main St. The move is being made in an effort to reduce traffic congestion.

"Wildlife Park is now able to accommodate a few cars, enough to take care of the cars which would park in that area on the Main St.," Mr. Morrison said.

FRIENDS MEET AT PICKERING OVER WEEKEND

Newmarket—The Canadian Friends' Yearly meeting will be held at Pickering College June 27 to July 1 when Dr. Elbert Russell, Guilford College, will give three addresses. Dr. Russell's topics and time of delivery are: Friday, June 27, at 8 p.m., "Historical Christianity and Jesus' Way of Life"; Sunday, June 29, at 8 p.m., "Freedom and Responsibility in Modern Life"; Monday, June 30, at 8 p.m., "Worship and Christian Living."

Although some of the meetings will be devoted to business sessions, the public is invited to hear the addresses and attend the sessions if they wish.

Other speakers include Gurney and Elizabeth Binford, former missionaries to Japan, who will address the meeting Saturday, June 28, at 8 p.m.; Ranjit Chet Singh, an Indian Friend, who will speak at 3.15 Monday afternoon, June 30; Wilmer Cooper, secretary of the Friends' Peace Board, who will speak at 3.15 Saturday, June 28; and J. Bernard Walton, secretary of the Friends' General Conference.

LAST SERVICE HELD FOR FRANK PALMATEER

Newmarket—Death came suddenly at Bala on June 13 to a well known Newmarket citizen, Frank W. Palmateer. Mr. Palmateer, who was born in Tweed, Ont., had lived in Newmarket where he had been employed in different stores, for some years, and his death came as a shock to the community.

He had been in poor health for the past five years and had moved to Bala about a month ago to take over Hillcrest Lodge for the season.

He leaves to mourn his loss, his widow, the former Georgina Trivett, and two sons, John and Robert; and four brothers, Art and Harold of Toronto, Milton of Belleville, and Willard of Winnipeg; two sisters, Mrs. Countryman of Tweed and Mrs. Hall of Belleville.

The funeral took place from the chapel of Roadhouse and Rose, and was conducted by Rev. H. Cotton, assisted at the grave by members of the Masonic Order, of which Mr. Palmateer was a life member.

The pallbearers were Allan Mills, Percy Hutchinson, Gordon Manning, Joe Pollock, Al. White, Richmond Hill, and MacLean Grant, Toronto, all of whom are members of the Masonic Order.

TO CLOSE RIGHT-OF-WAY

Newmarket—Town Clerk Wesley Brooks was authorized to advertise and to take the necessary steps to close the right-of-way from Prospect St. to Marsh property and immediately adjacent to the York County hospital, at the meeting of the town council on Monday night. The motion was introduced by Councillor Caroline Edwards and seconded by Councillor George Byers.

TO HOLD STREET DANCE

Newmarket—On Monday night the Newmarket town council granted the Newmarket Lions club permission to hold a street dance on Thursday, Aug. 21.

NO HOLIDAY MONDAY

Newmarket—No holiday has been proclaimed by the council for Monday.

WOMEN THRESH ON POLE FARMS

Newmarket—After his return to the home of his parents, Mr. and Mrs. Elmer Starr, Newmarket R. 3, from China, Francis Starr left here some weeks ago and now writes from Poland where he is working with the Mennonite Central Committee as an instructor to the Polish farmers on the equipment sent them through UNRRA.

In recent letters to his home he described his voyage abroad and the conditions he has met overseas. On one farm, Mr. Starr found the following method of planting potatoes: "First a machine that made small holes in the earth was pulled across the field and then two gangs of girls came along and dropped potatoes in the holes. A big wagon pulled by three horses went beside each gang of droppers to keep them supplied with seed. Later, a machine that was pulled by two horses and operated by three men came along and covered the potatoes."

Saying that threshing is a specialty of women in Poland, Mr. Starr wrote: "Recently I saw a gang of women threshing barley in a manner that would horrify most of the farmers that I know. The machine was of German manufacture and was fed by hand. Half a dozen women were forking the barley and thistles were feeding the machine with his bare hands. Two more women were carrying the chaff away and two others pushing the straw away. A couple of particularly husky women were weighing and bagging the grain."

In another letter Mr. Starr writes that he was at a former German officers' camp for a rest, and was acting as cook for the rest of the party. "Our diet consists mostly of bread, onions, boiled eggs, and rhubarb, which is pretty high living after the blood cheese, black bread and cottage sausage on the farms," he writes.

HAIRDRESSERS' HOURS

Newmarket—It was reported in error last week that the hairdressing shops and beauty salons in the town of Newmarket would remain open Saturday evenings during the month of July and August. The report should have read that the shops will remain closed from Saturday noon until Monday morning during July and August. They will also be closed on Wednesday afternoons throughout the entire year but may remain open on Tuesday and Thursday evenings.

STUDY CONSERVATION NEEDS OF DON VALLEY

Aurora—Roy Cadwell, Toronto, Mayor Ross Linton, Aurora, Reeve A. V. Nolan, Stouffville, Reeve Lorne Evans, Whitechurch, and Councillor A. A. Outram, Leaside, were named by the Don Valley conservation association on Saturday to act as an interim committee in inquiring into the steps necessary, and taking the lead in securing a government survey of the Don Valley.

On Saturday afternoon some 50 members of the association, who are interested in preserving the natural resources of the Don Valley watershed, gathered at Toronto, and travelled 75 miles north through East York, Markham, Vaughan, King, and Whitby church townships to the Vivian Forest. In the evening a banquet was held at Ridge Inn.

J. D. Thomas, Toronto, acted as toastmaster at the banquet, and he extended thanks to Mayor Linton for the excellent arrangements made for the gathering. "We are all interested in seeing our natural resources conserved," said Mayor Linton. "I know the northern municipalities will support the efforts of this organization."

His worship cited Beeton as a fine example which many municipalities could follow.

"We are only holders of a life estate in our property. We hold the land and country in trust for those who come after us," he said.

FAREWELL BID TO DEPARTING S.A. OFFICERS

Newmarket—A special farewell service was held at the Salvation Army Citadel at 8.30 Sunday evening following the regular evening service when many from the Gospel Tabernacle joined to wish Capt. and Mrs. A. Robinson the best in their new charge while Rev. L. James Lake paid tribute to the fine work done by them here. Capt. and Mrs. A. Robinson left for a new charge at Fenelon Falls today.

On July 18 a surprise farewell supper was held for Capt. Mrs. A. Robinson at the home of Mrs. R. Kirbyson by the members of the Home League. A farewell social evening was spent at the Salvation Army Citadel Thursday afternoon. Capt. A. Robinson was the guest speaker at the regular weekly meeting of the ladies' group of the Gospel Tabernacle at which time they presented Capt. Robinson with a book as a farewell gift.

This evening a special welcome service will be held at the Salvation Army Citadel for the new officers, Capt. and Mrs. James Schwab. The service will be conducted by Capt. B. Stevens. Aurora. Rev. L. James Lake will represent the Newmarket Ministerial Association.

No Kennels Condition, Lot Sold To Watson

Newmarket—On Monday night the town council passed a motion to sell to Basil Watson lot 34, Wesley St., with the provision that he must not erect any kennels or raise dogs on the property. The motion was introduced by Deputy-Reeve J. L. Spillette and seconded by Reeve Arthur Evans, and followed a visit to the council on June 18 by Mr. and Mrs. Watson, who asked for an explanation of why the sale to them of the lot had been stopped by the town after a deposit had been accepted.

At that time Deputy-Reeve Spillette had explained that the sale had been stopped because the by-law ratifying the sale did not contain the usual building restrictions. Mrs. Watson had told council that a neighbor had obtained a lot without complying with the building restrictions, and Deputy-Reeve Spillette had said that under the circumstances he favored sale of the lot to Mrs. Watson also. Mayor Vale had contended that "two wrongs do not make a right."

On Monday night Mayor Vale said that since the motion was introduced by two members of the finance committee, he would vote for it.

MAKE IMPROVEMENTS UNDER ACT IN FUTURE

Newmarket—The Newmarket town council on Monday night passed a motion formulating a definite policy where the construction of sewers, sidewalks and pavements are concerned. Introduced by Deputy-Reeve J. L. Spillette and Councillor R. C. Morrison, the motion read: "Where it is found necessary to construct sewers, sidewalks, pavements and other local improvements in areas or subdivisions within the town, and also where such improvements have already been installed, be it resolved that the council go on record as favoring a plan of doing this work under the local improvement act, and that applications or petitions be advised that it is the council's intention to proceed with this work under the terms and regulations as provided in the Ontario Municipal Local Improvement Act." The motion was passed unanimously.

COLLECT \$179.36

Newmarket—Thanking citizens for their support, officials of the Poppy and Forget-Me-Not fund said that \$179.36 had been collected on the Forget-Me-Not tag last Saturday.

Legion Completes Plans For Big July 1 Event

Newmarket—With town men on the grader getting the race track at the Newmarket fair grounds in shape, four Dominion cycling championships will be run off as part of the Legion's July 1 program. The races will be sanctioned by the Canadian Wheelmen's Association and will be sponsored by the Newmarket Branch 426, Canadian Legion, in conjunction with the floating Rambler Cycle club, Toronto.

According to Councillor Frank Bowser, chairman of the roads and bridges committee of the Newmarket town council, the men are working as rapidly as possible on the track and it is expected that it will be ready in time.

Ang West, chairman of the publicity committee for the sports day, says riders have already arrived in town from as far west as Winnipeg and as far east as Montreal. The Canadian championship races to be run off include races of one-quarter mile, one-half mile, one mile and five miles. Other bicycle races scheduled for the day include a one-mile race open to all boys of Newmarket and district with no entry fee. "All of the races are for fixed wheels only and no bicycle with hand brakes or winged nuts will be allowed," Ang says. "There will also be novice and class B races."

"The celebrations will actually begin the evening before July 1," Ang continued. "On Monday night, June 30, there will be an exhibition game between two softball teams from Toronto at 7 o'clock, followed by a dance at the drill hall."

"Joe Dales has lined up all of the outstanding athletes of high school age in the county for the track and field meet on Tuesday afternoon. At that time there will also be many open events for the younger boys and girls, starting at 1 p.m., and all of the regular midway attractions, too. There will be two softball tournaments, one for the men and one for women, and at 7 p.m., in front of the grand stand, there will be a five-act vaudeville show, followed by another dance in the drill hall."

Town To Bill For Garbage Collection After July 1

Newmarket—On Monday night the town council passed two by-laws, one authorizing a system of municipal garbage collection whereby the town contracts with another party for the collection of garbage and the second completing a contract for the collection of garbage between the town and Frank Johnston. Effect of the by-laws is that commencing July 1, Mr. Johnston or his agents will be the only ones permitted to collect garbage within the town limits.

Payment by the householders under the new system will be made in the same manner and at the same time as water and light accounts. All stores, hotels and restaurants will pay \$2 a month under the new system for garbage collection while all stores putting out dry garbage only will pay \$1 a month and all householders and occupants will pay 60 cents a month.

Tentatively the schedule calls for the collection of garbage from residences on Main St. and west of Main St. on Mondays and Thursdays; from residences east of Main Street on Tuesdays and Fridays; and from commercial establishments on Tuesdays and Fridays.

Receptacles from private residences must be placed at or near the street line by 7.30 a.m. of the morning of collection, while receptacles from commercial establishments must be in a convenient place on the street or lane or at the rear of the stores by 9.30 a.m. on the morning of collection.

Council To Consider Grant For Expenses At Festival

Newmarket—A contentious notice of motion was introduced by Deputy-Reeve J. L. Spillette and seconded by Councillor Frank Bowser at the meeting of the Newmarket town council on Monday night. Mr. Spillette moved that the council present \$170 to the Newmarket Veterans' Association to cover the cost of entertaining the color party on May 30, and for other expenses incurred on that date.

Mayor Jos. Vale said that while he approved of the sentiment, he thought it would be bad business on the part of council to make such a grant, especially when the veterans had not made a request for financial assistance.

"We are short of finances," Councillor Luck said. "Every department has been cut down. The money was not allotted in the budget, so we can't do it."

Deputy-Reeve Spillette said the Vets had done a good job when they put on their part of the program at the Spring Festival concert, and had worked hard. "It seems to me they are in a special category, and I strongly advocate that we give them not less than \$100," he said. Councillor Bowser concurred.

"There has been no request from the veterans for financial assistance," Mayor Vale argued. "We would be just giving the money voluntarily. It would set a dangerous precedent. I am all in sympathy with the idea, but the precedent which would be set could cause a lot of embarrassment. I think that if any money is to be given to the Vets, it should come from the school board. An admission price was charged for the affair, and the \$170 should come out of the admission price," Councillor Luck agreed.

NEED ANOTHER \$100 TO SEND CAMPERS

Newmarket—Seventy boys and girls from Newmarket have registered for the North York boys' and girls' memorial camps at Duques Point where it is expected that more than 500 boys, girls, and young people will attend the seven camps to be held there during July and August.

Arrangements have been made to finance the expense of the Newmarket children at the camp but another \$100 is needed to meet all requirements. Rev. Henry Cotton and H. E. Lambert, Bank of Toronto, are handling the finances for the Newmarket children. The first group of Newmarket boys to attend the camp, boys 9-11 years inclusive, leaves Trinity United church grounds on Friday, June 27, at 6.30 p.m.

COUNCIL REJECTS LUCK'S PROPOSAL

Only an expert in municipal planning could fully assess the advantages or disadvantages of the proposal for a second main street as advanced by Councillor H. J. Luck. No expert is required, however, to see the studied disinterest displayed by opposing council members which culminated finally in a vote where only Mr. Luck and his son, Mrs. Caroline D. Edwards, favored the plan.

Mr. Luck's proposal, briefly, was to expropriate the land west of Main St. along the old trolley right-of-way from Park St. south, and build on it a 60-foot roadway, providing at the same time additional business sites. Mr. Luck claims to have examined his proposal from all angles and is confident that it is sound, but as noted above, only an expert in municipal planning can speak with any certainty as to its value.

Two pressing issues in Newmarket at present are the congested condition of Main St. and the lack of business sites in the southern part of Newmarket. Mr. Luck's proposal seems the answer to both of those problems. At the very least, it is worth further consideration and the advice of a municipal planning expert. The gravity of a narrow Main St. and lack of business sites would alone suggest that much be done. Members of the council in opposition did not even bother to lay Mr. Luck's proposal aside for future consideration. Instead they offered objections, which do not bear up under a close scrutiny, and then voted the proposal down.

Two objections were that the street should be carried farther north, to Millard Ave. and to Queen St. respectively. That is a detail which could have been settled later; the length of the street was not the issue but the existence of the street itself. Reeve Arthur Evans, backed by Deputy-Reeve J. L. Spillette, said the county council would probably take over Main St. in two years or so. But will the county move back Main St. buildings so that it can be wider? Will the county provide more business sites? Those are the issues, not who owns the road. Reeve Evans advises letting "things take their course," the same practice that brought Newmarket to this present state of affairs.

Cost is mentioned. Coming from a council which recently asked the taxpayers to sign what was called "blank cheque" for the construction of a memorial auditorium, the mention of cost seems oddly inconsistent. Widdfield Park was also mentioned as the answer to the congestion on Main St. but it obviously will relieve only part of the congestion on Main St. and is quite inadequate for the future. Nor does it provide business sites.

These pitifully weak objections might be ignored if those who uttered them had also suggested alternative plans, or at least suggested the advice of experts. As it was, the members of the council who fought Mr. Luck's plan were content to vote it down and call it a day. They are the same men who came before the public at election time and told how they had Newmarket's best interests at heart. Newmarket cannot afford the lack of interest and narrow vision which was shown instead at that council meeting in this period of municipal growth.

SUPPLY AND DEMAND IN PUBLIC SCHOOLS

Municipal boards are just as vulnerable to the laws of supply and demand as business, a fact that is being soundly demonstrated in the efforts of the Newmarket public school board to fill vacancies in the public school teaching staff for next year.

Dr. G. E. Case told the board at its recent meeting that the salary schedule for the Newmarket public school female teachers was not

attracting experienced teachers. He advised the board that only recent graduates found the salary level attractive. He was told to say in advertisements for the vacancies that recent graduates were acceptable.

The situation as it exists in Newmarket—with some public school teachers resigning to accept better paid positions elsewhere, and the difficulty of employing experienced teachers was foreseen in the recent salary discussions between teachers and the board which resulted in the establishing of a \$1,500-\$1,800 schedule, an improvement but still less than what was sought.

It was pointed out then that other centres were willing to pay their teachers more than they would be receiving in Newmarket, and that as long as Newmarket paid less than other centres, it could hardly expect to hold teachers. When the contrast between Newmarket and Toronto wage levels was noted, it was claimed on behalf of the board that living expenses in Toronto are considerably higher. There is no validity to that argument. The teachers do the same work in Newmarket or Toronto; any difference in living costs is incidental.

The shortage of teachers will continue for several years and in that time, the school board paying the best wages will have the widest choice of experienced teachers. From the difficulties that the Newmarket board is now experiencing, it would appear that Newmarket will be the second choice for all but the inexperienced teachers for some years yet.

Newmarket is proud of its public schools and the standards of teaching that have prevailed. If Newmarket is to become merely a way station for teachers fresh out of Normal school, it is not likely that those standards will be maintained. The alternative is a higher salary level. In turn, that means a heavier school cost to be charged against the taxpayer.

The question which must be answered by the taxpayers and by the board before next year's budget is set up is whether to accept the heavier charge but employ more highly-qualified teachers, or to keep the school costs at their present level and lower the standard of teaching in the schools.

SO NOW SHE'S A HORSEFLY

There are many ways to phrase one's affections for the opposite sex. But the most unique is contained in the words of a popular song in which the declarer says that if his sweetheart were a horsefly (not very flattering) and himself an old grey mare (some confusion in sex here), he would stand and let the horsefly bite him without moving a hair. That is how strongly he feels about it all.

Well, it is an interesting thought but not one which is ordinarily associated with the stuff of moonlight and roses. Grey nudes and horseflies are more at home in the pages of an agriculture journal than as a means to convey lasting passion. Yet there is a precedent in the English poet, John Donne, who used a flea or a roach, we've forgotten which, to serve as a vehicle for his expressions of undying love.

There was a time when the ardent swain depended more on deeds than on words. Those were the days when dragons and evil knights were essential to every romance. In the course of years, the dragons have been killed off and the knights have gone into other professions so we suppose it is only natural that there should be greater emphasis on talk and less on deeds in this business of courtship. But one would hardly expect declarations of unbounded love to sound like something from the Farmers' Almanac. No wonder the magic has fled from those "three little words."

TRAFFIC TOLL SHOWS INCREASE

The motor vehicles branch of the department of highways has released the following figures on motor vehicle accidents for the first three months of 1947:

Accidents totalled 4,540 and resulted in 101 deaths and injury to 2,202 persons; the death total was one less than in the first quarter of 1946 and 54 below the peak total of 155 for the same period of 1941. Total accidents reported showed an increase of 28.7 percent from the 1946 figure, largely the result of a 55 percent advance in the number of accidents involving property damage only. Total damage in the first quarter amounted to \$968,575 or 65.1 percent more than in the same three months of last year.

Accidents during daylight showed an increase of 42.9 percent as compared with an advance of 11 percent in night accidents. On a Sunday drive to Toronto and back, we saw four accidents on Yonge St., involving eight cars.

public school board for several years and was chairman when he was approached, by a delegation seeking a man of sound financial judgment to be mayor. He accepted the nomination and served for seven years as the town's chief official.

When he retired, Dr. Boyd was presented with a silver tray, the first "payment" that he ever accepted for his years of public service. He was against financial remuneration for members of the council and during his term of office, no member received such remuneration.

Dr. Boyd says that in his opinion "the present town council made a big mistake when they turned down Luck's roadway plan. The plan was financially sound and Councillor Luck was absolutely correct when he said that the project would be completely paid for in a few years from the increased assessments where new business sites would be made available. I was notoriously frugal when I was a member of the council but I never turned down a scheme that would be profitable in the long run. And the town really needs a second and wider main thoroughfare."

DR. S. J. BOYD

Dr. Boyd himself excelled as a sprinter in his teaching days and was an enthusiastic boxer in his college days. He was on the

WE WENT TO GUELPH

There are some days that do not only live in enjoyment of the present and in happy memories, but begin days and weeks ahead in anticipation.

There were questions to be answered and problems to be solved. Would we be able to secure a bus? What would we take to eat? What would we wear and last, but not least, what of the weather? Well, the bus problem was solved by the Pine Orchard W.I. and Bogartown going together. The eating question was easily disposed of by buying tomatoes, celery, radishes and bananas to which we added sandwiches, cakes and tarts. What to wear was settled by as many tastes as there were women. One thing our group determined on—no new shoes—shoes that had been friendly to our feet were to be the order of the day so we walked—maybe not in beauty—but at any rate in solid comfort.

The morning dawned radiantly and in every household which was to be left womanless for the day there was the usual wild scramble to leave.

As 8 o'clock drew near, one contingent gathered, forgotten cake and camp chair detracting not one whit from the hilarity of the occasion. I salute our driver who was a good sport in spite of many ups and downs. There were times when I am sure he felt he was in charge of a car full of maniacs—harmless but exceedingly vocal and lively. To add to his troubles, his bus developed a heart condition which necessitated nursing and doctoring, but what was a little thing like that on a glorious June morning when 34 gay ladies had left care behind them and were on their way to celebrate a 50th anniversary?

In due course we arrived at O.A.C. and joined what looked like a million other women and a general melee of busses of every shape, size, age and place of locale, to say nothing of a solid field of cars.

As some—people, not cars—had left home breakfastless, the first thing was to eat. So, in company with thousands of others, we found a spot and regaled the inner man. Eaten in the open air amid the grand old trees, the flowering shrubs and flowers, it tasted exceptionally good and we then made our way to seats in front of the pavilion where the speakers were already placed. Being small, my eyes were no use so I had to use my ears to the best advantage.

God Save the King, sung by those thousands, sounded solemn and impressive—a prayer for us all for the heart and core of our commonwealth. Then came the welcome by Mrs. Hugh Summers, president of the F.W.I.O. She was glad to welcome so many distinguished guests from our own and other lands. This memorable day, she said, should see us both proud and humble. Proud that from cottage to palace women have given support to the ideas and ideals for which the W.I. stands. Premier Baldwin once said the W.I. was Canada's greatest contribution to the betterment of home and national life. We should feel deep humility when we think of the pioneer women of W.I. If these women had not wrought with wisdom and foresight much would have been lost to the W.I. We give, therefore, honor to the pioneers.

As years go on, a greater number of people are influenced by the W.I. We must plan, must have better education in citizenship, youth problems and home improvement. It is hoped that the conference in Amsterdam will be a factor in world peace. A letter from Prime Minister Mackenzie King was read. Mr. King said that the value of the work of the W.I. in the rural life of our country cannot be over-estimated. It must, he said, be of great satisfaction to all officers and members of the W.I. to reflect upon the devoted efforts of 50 years and upon the notable advances in public and community work. He counted it a privilege to extend greetings and good wishes.

Greetings from the province were extended by Col. Drew. The activities of the W.I. throughout Ontario are well known to all and the organization has done much throughout the years to improve rural, and in some instances, urban home life. He hoped the influence of the W.I. would continue to expand in the interests of better home life.

Mayor Gordon Rife then extended a welcome from Guelph. He felt that the W.I. was one of the greatest organizations in the world and was achieved by holding to democratic ideals. Our way of life for which our sons and daughters fought is being challenged today and the world theme seems to be Where Do We Go From Here? Canada needs leaders from mothers and daughters and the W.I. should give them to carry on our democratic way of life. Greetings from the department of agriculture by the Hon. Thomas L. Kennedy followed. He said that many of the amenities of life which have been introduced into farming communities are a direct result of W.I. activities. Better schools, health services and community facilities have come into being because the W.I. saw the need for them and worked for their

accomplishment. Mr. Colin Bray then sang Sheila and an encore. Miss Anna Lewis, director, Women's Institute branch and home economics, paid tribute to the founder and charter members. She said she enjoyed her work. "We must cherish the past, accept the present and face the future with courage," she said. "We receive inspiration from the early days and their far-seeing members."

In celebrating our debt to the women of Ontario, government aid was freely given. The Federated W.I. of Canada has shaped its own policies. Women must now have a fuller, more abundant life. Our experiences in the past provide stepping stones to the future. We were never so useful and we must go on working if our organization is to live—we must learn and we must understand, she concluded.

Mr. Reek, acting president, O.A.C., said we were the most inspiring audience he had ever faced. We had a single purpose—to do honor to women who 50 years ago had a vision. They saw the need and their organization succeeded because the women were unselfish; were out to serve and to raise the standard of living in the rural areas. They were determined women should have a fuller life and their children opportunities for health and education. Home and country covers everything. We have not encroached on other preserves but stood on our own feet and cooperated with every good cause.

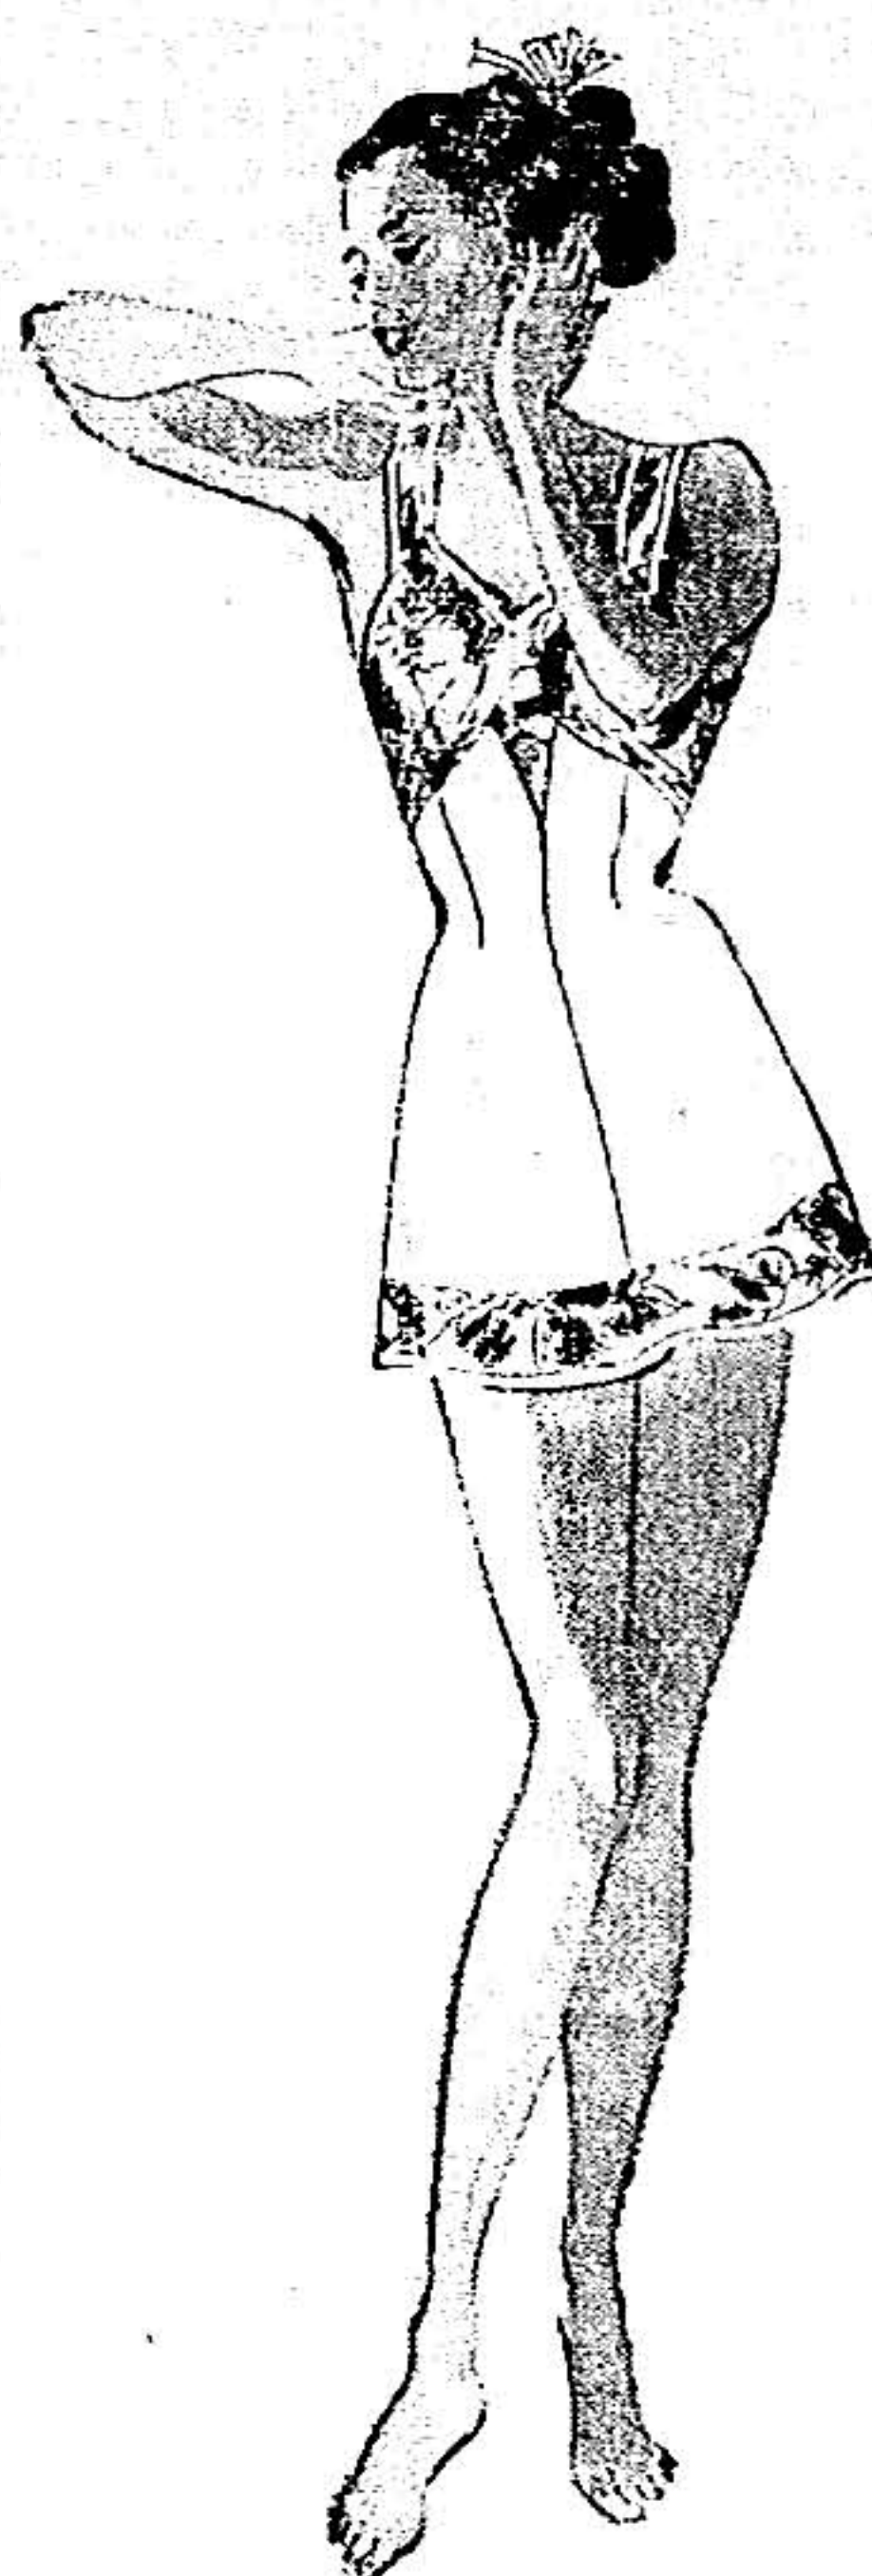

Mrs. Cameron Dowe spoke for the Federated W.I.'s of Canada. She said we liked to hear about ourselves but not to do the saying. We must go on and build on the foundation so surely laid by the pioneers. We must look forward—develop the home, for as the home so the nation. As Canadians we must be a thorn in the flesh to our government until they listen to us.

From each province, from ocean to ocean of our vast dominion greetings were brought, either in person or by letter. All expressed gratitude to the founder of the W.I. and those who have since carried the light, not only into every part of our homeland but to the far away lands of our far flung empire, and to almost every other country. Mrs. A. E. Walker brought greetings from the mother Institute—herself a charter member. Mrs. Jackson, president of Stony Creek W.I., said ours had been a record of remarkable success. One reason—our broad and elastic constitution. Mothers and home makers are our hope, for home is the bed rock on which the nation rests.

Mrs. Laura Rose Stephen, our first government lecturer, came next. Mrs. Stephen is over 80 but her voice is as strong, her opinions as firm and her sense of humor as active as when I first heard her 23 years ago. She emphasized the difference in her audiences of yesterday and today. Yesterday women were not the colorful ladies of today. She said she was proud of her work—had worked hard and loved it. She said God had put our brains at the top of our anatomy for a purpose—it must dominate the body. She said we must have tolerance in our outlook in spite of conditions. We could have listened to her reminiscences much longer.

ALL THESE

Are Needed

If the telephone installer brought along all the things needed to give service to those waiting for it, he would look something like this! The actual instrument and the wire he uses to connect the house to the nearest cable are only a small fraction of the whole installation job.

Back at the telephone exchange unbelievably complicated apparatus connects each telephone with all others and with long distance lines to outside points.

Since the beginning of 1916 we have added 298 telephones to Newmarket's telephone system. Much has been done—much is being done—to supply telephones to more people than ever before while continuing to provide the best service at the lowest cost.

MAGISTRATE'S COURT TRAFFIC CHARGES FEATURE OF COURT

Newmarket—Norman Fidgett, Baldwin, was remanded for one week for mental examination when he appeared in magistrate's court here on Friday on a charge of assaulting and beating Mrs. Lillian Fidgett, occasioning her bodily harm. Magistrate J. E. Pritchard, K.C., presided.

Rolling Newcomb, Toronto, was fined \$10 and costs when he was convicted of being in possession of liquor at Riverdale Park. Constable Carl Morton testified that he had seen an occupant of a car driven by the accused take a bottle of beer from the rear of the car. He said that when he investigated he found a nearly full case of beer in the back of the car. He said Newcomb admitted ownership of the beer. The beer was confiscated.

Frank Knowlton, Toronto, pleaded guilty to a charge of stealing four cans of oil from William Kearns. Constable Jack Lawrence testified that he had received information from Kearns to the effect that four cans of oil had been stolen from him by a man driving a car headed toward Barrie. "When we picked Knowlton up he admitted being guilty and co-operated very well," Constable Lawrence said. "Kearns identified the one can of oil which Knowlton still had from rust marks."

Given Suspended Sentence
Knowlton, 26, who is a married navy veteran and at present a civilian employee of the department of national defense and stationed at Camp Borden, said he did not know why he had stolen the oil. He was given a suspended sentence and placed on probation for six months. He was also ordered to pay for the three cans of oil and to return the fourth and to pay the court costs.

Taras Werbeniuk was fined \$10 and costs for speeding at Elmhurst Beach. He claimed that his brother had cut his hand on the broken neck of a soft drink bottle and he had been driving him to Newmarket where first aid could be given, but Constable W. R. Hill, Sr., said he had clocked Werbeniuk when he was driving north.

George A. Johnson, Aurora, pleaded guilty to Constable A. S. Andrews' charge that he had been driving on No. 11 highway without lights.

Constable Andrews testified that Johnson had been warned before for a similar offence. He was fined \$5 and costs or five days and Constable Andrews was asked to thoroughly examine the car for defects.

Olive Jackman, Toronto, was convicted of failing to have her trailer equipped with lights while driving on No. 11 highway. She was fined \$5 and costs. Constable William Melbourne laid the charge. Gilbert Rolling was fined \$3 and costs when he was convicted of failing to dim his headlights for oncoming traffic.

John Sheardown, Schomberg, and James Woolhead were each convicted of driving with defective brakes. They were fined \$15 and \$10 respectively. Constables Lawrence and J. Jardine laid the charges.

UNION STREET TWO BOYS INJURED IN BICYCLE MISHAP HERE

June 19—Mr. and Mrs. Sheldon Mills, Feversham, called on their cousins, Messrs. Percy and Arthur James and Mrs. Lillian Johnston last Thursday night while on their wedding trip to Niagara Falls and other points.

Mr. and Mrs. Allan Railton, Sutton West, were recent visitors at the home of Mr. and Mrs. Roy Cowieson.

Mr. and Mrs. Frank Graham and Leonard spent the weekend with relatives and friends at Long Branch and Port Credit.

Mr. and Mrs. Victor Skinner spent Sunday with relatives and friends at Udonia.

Mr. and Mrs. Bernard Gordon and family, Hamilton, were visiting Mr. and Mrs. Roy Cowieson last Wednesday, and were among the guests at the Wright-Gordon wedding at Queensville.

Mr. and Mrs. Edwin Breen were guests of Mr. and Mrs. Leo Glover, Ravenshoe, on Sunday.

Master Jimmie Peregrine, son of Mr. and Mrs. Titus Peregrine, received severe head injuries when thrown from a bicycle last week, and was treated at York County hospital, where several stitches were required to close a head wound.

George Alleyne was injured in the same accident and required medical attention. Both boys are now progressing favorably.

KESWICK

This approaching Sunday, June 29, will be Rev. Gordon Lapp's last Sunday at Keswick. At the morning service he will dedicate a communion table cross, which will be Keswick United church's token of remembrance and honor for those who fell and who served in World War II.

Mrs. Edwin Marritt (Louise Gage) will be soloist. In the evening Mr. Lapp's subject will be "Mizpah—the Lord watch between thee and me."

The induction service for the new minister, Rev. M. R. Brown, will be held Thursday evening, July 3, under the auspices of the Toronto Centre Presbytery. Officiating will be Rev. Chas. Fockler, Maple; Rev. Roy Hicks, Aurora; Rev. Albert E. Millen, Queensville. After the service there will be a reception for Mr. and Mrs. Brown. The public is invited.

Walter Walker was soloist at the morning United service last Sunday.

At the June meeting and tea of the United W.M.S., held at the home of Mrs. P. W. Mahoney, Mrs. Gordon Lapp was presented with a life membership in the Women's Missionary Society. She expressed her appreciation. Later, having learned something about the plans for it, Mrs. Lapp said the membership would mean much more to her because it had been purchased with the contributions of more than a hundred women.

Misses Mary Long, Helen Clark, Phyllis Hamilton, Messrs. Gordon Sutton and Donald Stewart, Toronto, were guests at the manse following the evening service on June 22. They belong to Westminster-Central young people and were among those who took part in a service at Keswick about a year ago.

Messrs. Norman and Michael George, Victoria, B.C., are back in Keswick for the summer.

Suffering from an attack of pneumonia and from a broken hip received in a fall, Mrs. Lavinia Winch is a patient in York County hospital.

'KING-SIZE' BURGERS FOR KING CARNIVAL

The King Women's Institute, which always supplies the food for the King annual street dance and carnival, has announced that this year the members will make and sell special "King size" hamburgers at the dance on July 10. Actual dimensions of the mammoth delicacies are yet to be decided but it is believed they will measure at least five inches in diameter.

Mrs. Rawlings, president of the King W.I., and her enthusiastic committee including Mrs. Walker, Miss Patton, Mrs. Armstrong, Mrs. McDonald and Mrs. Robb, are already at work on the project.

Specially large quantities are also being planned as this year the King street dance will have several new attractions which are expected to draw exceptional crowds, according to A. McBride, president of the Lake Marie and King Athletic Association which is promoting the carnival. Two radio shows will be put on from King the night of the dance. George Wade and his Corn Huskers will be there to play for the dancing and several attractions, still in the preliminary stage, are yet to be announced. Proceeds of the dance go toward the building of a King community centre. A Toronto department store is contributing a special model of the proposed centre which will be on display the night of the dance.

MAKING BETTER IMPLEMENTS

Through 100 Years..

This type of mower was built at the Massey works as early as 1852.

ABOUT 1820 a mower was invented with a circular cutting blade which revolved against the grain, apparently imitating the action of the old scythe blade.

A few years later a mower was invented in the United States which had a sharp knife with teeth moving sideways in a row of iron fingers or guards. The first mower of this type to be made in Canada was produced in 1852 at the Massey works, the little plant which has grown into the Massey-Harris industry of today. And all through its 100-year history this company has been a leader in developing labor-saving farm devices.

The use of modern Massey-Harris farm machines has brought many benefits to Canadian farmers. The Massey-Harris Side Rake and Tedder turns the hay into light, fluffy windrows, so the air can cure it quickly. The Massey-Harris Hay Loader builds a load of well over a ton in twenty

minutes. The Massey-Harris Forage Harvester enables a farmer to cut hay at the right time—providing nutritious forage for livestock.

Massey-Harris machines mean speedy, large-scale production. They have reduced production costs per acre and have increased the farmer's yearly profit.

We sincerely believe that no car is more generally satisfactory to its owners than a Pontiac.

Year after year, Pontiac offers all that's good and all that's new—plus outstanding economy of operation and upkeep. It really leaves nothing essential to be desired—in performance, in comfort or in handling ease. And, always, it is one of the most beautiful cars to be seen on the streets and highways.

The 1947 Pontiac Silver Streak is an example of what we mean. People who get it need envy no one—and the same will be true of those who get their Pontiacs in 1948, 1949 or 1950. Year after year, Pontiac is a fine care—in every respect.

The stack of orders piled up for the new Pontiacs are gratifying testimonials to the quality and beauty of this finest of the famous Silver Streaks. Unfortunately, so many orders also mean that many who choose Pontiac must wait. So if your car-wise head and heart say "Pontiac"... your present car will give you better, safer service while you wait if you have it serviced by your Pontiac dealer.

FRANK EVANS IS

WED IN ST. CHAD'S

At St. Chad's church, Toronto, on Tuesday, June 10, Emily Evelyn Orton, Birchill, Sask., was united in marriage to Frank Evans, Newmarket. Rev. G. H. Johnson, D.D., officiated.

The bride entered the church on the arm of a friend, Mr. H. A. Steggle, Toronto, to the strains of Lohengrin's wedding march. She was wearing a white slipper satin bridal gown with shoulder length veil caught with orange blossoms. She carried American Beauty roses and baby's breath. Her bridesmaid, Miss Doris Steggle, wore a peach marquisette over taffeta full skirted dress and carried tea roses and baby's breath. The best man was Geo. Hoare, Newmarket.

Following the ceremony, a reception was held at the home of the bride's parents, Mr. and Mrs. H. J. Steggle, Toronto. The bride's parents, whose home is in Birchill, Sask., were unable to be present. Mrs. Steggle received wearing a peach crepe dress and corsage of tea roses and fern. On their return from the Thousand Island trip, the couple will reside in Newmarket.

CONSERVATION TOUR

Continued From Page 1
clared Roy Cadwell, president of the association, who outlined the aims of the organization. He said that conservation had to do with the lives of people as much as education and cultural movements. The good citizen is one who is interested in preserving the beauty of the countryside, its wild life, and its natural attributes for the future, he said. Warden Charles Hooper visualized Toronto as extending north, in the not too distant future, until Aurora is practically a part. It was necessary to plan carefully now for the future, he said. Much had been destroyed in the past for all time, but the present generation is conscious that it owes something to the future. Too many beauty spots are in the hands of private interests, when they should belong for all time to the public. "I can remember Bond Lake as a real pleasure spot for thousands. Now it is privately owned. The same applies to Shadow Lake and many more spots like them throughout the county. This shouldn't be, they should be available for all," he said.

A. H. Richardson, of the Ontario department of planning and development, outlined the support given such organizations and groups by the government, and the progress made over the years.

Robert Yeomans, Toronto, brought greetings from Hon. Roland Michener, and recalled the wonders of radio, sulfa, penicillin, the motor car, and airplane, all achieved in his span of life. "You, who are younger than I, will live to see great things. You'll see much of our natural resources restored, if you work hard enough," he said.

Watson H. Porter, editor of the Farmer's Advocate, who was guest speaker, forecast that it might be necessary for some group to step in and take the lead in seeing that land is not wasted. "Much land is being unprofitably farmed now, while certain suitable lands are allowed to go to waste. It might be advisable to have contour plowing and sowing. Certainly farmers should sow across slopes and not up and down," he said.

"We can learn much from Europe by way of reclaiming land, making use of the soil to its fullest and best extent, and in conservation." Rural people, he felt, must take the lead in effecting reforestation and conservation because their lives are more closely associated with it. "The cities and towns are fast becoming conscious that their water supply, and much of their economic supplies, are dependent on the conservation of the surrounding countryside. The opportunities for co-operation between rural and urban folks and groups have never been better," he said.

"You have co-operated in improving education, roads, hospitalization. Now do the same in guarding our natural resources. It may be necessary in the future in some way to modify property rights if the people do not co-operate. Let's make this a good land to grow up in," he concluded.

Warden Hooper extended the thanks of the gathering to Mr. Porter. Eric Baker, chairman of the Toronto community council, Reeve C. E. Sparks, Aurora, and Reeve Lorne Evans spoke briefly.

Following the report of the committee a public meeting will be called in a few months' time to have its recommendations approved. It is hoped to have the survey started next year.

Residents Honor Doctor By Getting Him A Hospital

A Regina paper recently carried a news story from Midale, Sask., telling how the residents there were working together to provide a hospital for Dr. W. G. Mainprize. Dr. Mainprize is the oldest son of Mrs. Mainprize, Mount Albert, and the late Geo. Mainprize.

The story follows in part:

"During the past week if you had any business to transact with the druggist, the grocery man, the hardware dealer or the insurance agent of Midale after 8 p.m. you would have been obliged to hie yourself over to the hospital grounds where you would have found your man digging a root cellar.

"These men are a few of the people of Midale district who are trying to say thank you to one man, a doctor who has served them so long for so little.

"They are building him a hospital.

"Dr. W. G. Mainprize, one of the few remaining 'country' doctors, has 35 years of faithful service to a wide area which has included as many as five municipalities.

"The past winter was a particularly difficult one for him. With the aid of Harry Nicholson of the Estevan Flying club and W. Thompson of the Weyburn club he made many a landing in bitter weather on isolated prairie

PASSES WITH HONORS

Miss Mary Carol Knights, Toronto, formerly of Queensville and pupil of Miss Myrtle Bryan, A.T.C.M., has been successful in passing Grade 8 vocal examinations at the Toronto Conservatory of Music with first class honors, standing third in the class.

farms where his coming meant so much.

People Wondered

"Many times a week during January and February the sound of 'Doc's' Tiger Moth could be heard taking off and landing again and again.

"In their comfortable homes people would wonder whether he was going to Colgate or Goodwater, Benson or Griffin or even Lake Alma 60 miles away.

"So you see, the people of Midale are going to be right proud of their hospital. As proud as they are of their doctor for whom they are doing yeoman service.

"A hospital has been needed for years in this area and will alleviate Dr. Mainprize's work greatly. When completed it will be an eight to ten-bed hospital.

"There is to be a kitchen, nurses' quarters, waiting room, obstetrical room and doctor's office."

SNOWBALL

Twenty-two women from the Snowball Institute went to Guelph for the 50th anniversary celebration. All report a splendid trip and a most enjoyable and interesting program.

Two interesting and instructive services were conducted at the Snowball church on Sunday, the Faith Mission of Toronto in the morning and the Christian Businessmen's Association in the evening. Both provided special music.

Friends of Mrs. Harry Mills will be glad to learn that she is home from the hospital and convalescing.

ilies, Mr. and Mrs. Wilfred Simpson and Stanley and Mr. and Mrs. Harry Hillis and family, all of Grand Valley, visited Mr. and Mrs. Beckett on Sunday.

Mr. and Mrs. Wilburn Beckett and family of Queensville visited Mr. Beckett's brother, Mr. Gordon Beckett, and Mrs. Beckett on Sunday.

Mr. and Mrs. Wm. Green and family of Milton and Mr. and Mrs. Fred Caulfield and June, Aurora, visited the Ridley home on Sunday.

Mr. and Mrs. Luetzen de Vries, Glenville, who have recently returned from a visit to Holland, were Sunday guests of Mr. and Mrs. Howard Morning.

PINE ORCHARD

Mr. and Mrs. James Hope were recent supper guests of Mr. and Mrs. Frank Prest, Newmarket.

Pine Orchard Dramatic club presented Have A Heart at a garden party at Janetville on June 13.

Messrs. Lloyd Heaslip and Jim Sheridan spent the weekend at Mr. Heaslip's home at Janetville. Community picnic will be held on Friday afternoon, June 27, at Wilcox Lake. Everybody is welcome. Bring your picnic lunch and enjoy an afternoon with your neighbors.

Wednesday, June 18, is a day long to be remembered by members of Pine Orchard and Bogartown Women's Institutes. The morning dawned bright and clear and those who were fortunate enough to be attending the 50th anniversary celebration of the Federated W.I. of Ontario at O.A.C., Guelph, were full of anticipation. Eighteen members of Pine Orchard W.I. including Mrs. E. Sheppard, Mrs. J. Landy, Miss Mary Reynolds, Mrs. Howard McClure, Mrs. W. Johnston, Mrs. Wm. Landy, Mrs. R. Armistage, Miss Aleta Widdifield, Mrs. A. Lloyd, Mrs. W. Reid, Mrs. H.

Lehman, Mrs. J. Ash, Mrs. C. Link, Mrs. Wesley Lundy, Mrs. E. Johnston, Mrs. James Hope, Mrs. B. Dike and Mrs. P. Tidman attended the celebration. The bus trip was most enjoyable in spite of minor mishaps and all eventually arrived at the college grounds where over 20,000 other Institutists from the crossroads of Ontario had gathered.

The afternoon program was filled with inspiring messages and challenges to "treasure the past and face the future".

Several members of the W.I. attended the reception for the Hon. Roy Lawson, O.B.E., lieutenant governor of Ontario, and were introduced to Premier Drew, Hon. Thomas L. Kennedy and officers of the Federated W.I., including Miss Anna P. Lewis, director of W.I.'s in Ontario, were present. It was a day filled to overflowing with friendliness and a feeling of pride to be a member of such a worthwhile organization for betterment of home and country.

The climax of the day was the historical pageant. Let There Be Light, presented by a cast of players who deserve great credit for the wonderful dramatization of the foresight of Mrs. John Hoodless, who founded and organized Women's Institutes, and the growth of W.I.'s during the past half century.

Mrs. Ethel Auty, Toronto, was a Sunday guest of Mr. and Mrs. Ross Armitage.

The Willing Workers Association will hold a picnic meeting at the home of Mrs. G. P. Wood and Mrs. A. Lloyd on Wednesday, July 2. All are asked to come prepared to quill.

Mrs. E. Chapman, Toronto, spent Saturday afternoon at the home of Mr. and Mrs. R. Allen and Miss Aleta Widdifield.

RAVENSHOE

Miss Florence Bosworth has accepted a position at Galt for the summer months.

The United W.M.S. held its June meeting at the home of Mrs. Merton Rutledge on June 25.

Mr. and Mrs. Harold Bray are working at York County hospital, Newmarket.

Plans are underway for the annual picnic of Ravenshoe Sunday school.

Rev. Gordon Lapp will conduct service at Ravenshoe church for the last time on Sunday, June 29. Service will be at the usual hour of 2.15, the change last Sunday being only for the day and on account of the afternoon decoration service at Queensville.

The public is invited to the induction service for the new minister, Rev. M. R. Brown, at Keswick United church on Thursday evening, July 3. There will be a social hour and refreshments afterwards.

Modernized Homes
Make Life Easier
For The
Farmer's Wife

We are sympathetic to any programme which, by improvements and the addition of conveniences to dwellings, will lighten labour and make the lives of women on the farm easier and more comfortable.

Consequently, we are always glad to consider Loans for the modernization of farm dwellings, as well as for other things which contribute to successful farming. Such loans are available to responsible farmers under the Farm Improvement Loan Act in amounts up to \$3,000.

Perhaps you have been thinking how nice it would be to make certain alterations and improvements in your home. If so, we suggest that you and your wife drive in to our nearest branch and talk the matter over with our manager.

INSTITUTE HONORS LIFE-LONG MEMBER

Members of the Queensville Women's Institute honored one of its members, Mrs. Milne, with the presentation of a life membership pin and a charter membership certificate on the

occasion of the 39th anniversary of the Institute branch. The presentation was made to Mrs. Milne by Mrs. Wilbert Dew, and an address was made by Mrs. Fred. Weddel. The meeting was held at the home of Mrs. Wm. Hall.

The text of the address which was signed by Mrs. Stanley Eves, president, and Mrs. J. L. Smith, secretary:

"As we celebrate our 39th anniversary we look back with pride on a past rich in experiences, and feel that we owe a great deal to your loyalty as the first president and later as secretary-treasurer.

"Your quiet charm, your readiness to bring help and encouragement, and your understanding manner in dealing with Institute problems have ever been an inspiration to our members both past and present.

"We consider it a great honor and privilege to have been associated with you in this work, as you always accepted so willingly and graciously the responsibilities with which you were confronted.

"As a small token of our appreciation, we would ask you to accept this life-membership pin and charter membership certificate, and with them go our best wishes and sincere gratitude. We trust that in the future you will continue to attend our meetings and be ever an example to each and everyone of us."

TO THE EDITOR

The editor: Your policy of fairness to all which has been one of the most redeeming qualities of your paper, has been indeed gratifying to all readers. I have yet to hear any discussion about the paper during which this admirable feature has not been mentioned. However I feel that in your issue of June 19 there was an unmistakable breach in this policy; that is your coverage of the hairdressers' petition to town council. I do believe the report could have been presented more delicately.

I seem to perceive throughout the reading of the report that the reporter was endeavoring to create humor. Humor is all very well, but the reporter might be a little more discerning in its use. In this case humor was obtained at the expense of the "fifth" hairdressing concern whose identity was apparent throughout the whole report.

There was an inference that this concern was unwilling to co-operate with the other four-fifths of Newmarket's hairdressing concerns, and that they were not gentlemen enough to abide by a verbal agreement. As I understand it the agreement concerned the number of hours each establishment is open for business. These gentlemen were not violating this agreement. They were open for business the same number of hours weekly as the other establishments. The only difference was that they close Monday mornings as their half-holiday instead of Wednesday afternoon. There was nothing underhanded in their decision to remain open Wednesday afternoon. It was made in order to accommodate the store staffs

whose only free time falls on Wednesday afternoons. Since a businessman's first consideration should be for his patrons I think that they are to be commended. However this matter of business hours is not in our jurisdiction. There is bound to be a little friction in associations of this type. Could not your reporter have presented the details of the petition and the decisions at which the representative and council arrived without airing the little resentments which arise in making these adjustments?

I am sure you are aware of the inconvenience a report of this nature can cause an establishment. If we want Newmarket to grow and new businessmen to feel welcome, I think an apology is in order to one of Newmarket's newest, most enterprising business establishments.

Yours truly,
Mary Holbrook,
19 Court St.,
Newmarket, Ont.

25 YEARS AGO

From The Era and Express files, Friday, June 30, 1922

Professor Dales, Drayton, spent Sunday with his son, Dr. Dales. A pleasant evening was spent at the home of Mrs. Geo. Evans on Thursday evening when a shower was given in honor of Mrs. W. G. Jefferson, who was recently married.

A pretty wedding was solemnized at St. Paul's Anglican church on Wednesday afternoon when Mollie Fern McCarten was united in marriage to Lindsay Farr. Sharon.

Miss Vera Smith, Queensville, who graduated as a dietitian from Macdonald Hall, Guelph, is spending her holidays at home.

The Playter family held its family picnic at the home of Mr. Playter, Yonge St. Many motor-cars from a distance and a pleasant time was enjoyed by all.

The new arena for Newmarket is reaching completion and the young people are anticipating a good time this winter.

AURORA TAKES 10-3 WIN FROM STOUFFVILLE

Coach Yorky Smith, Stouffville juniors, may know nothing of the works of William Shakespeare but his proteges put on a first grade performance of The Comedy of Errors on Monday night at Aurora town park as the Aurora juniors coasted to a 10-3 win. The Stouffville team made no less than 11 misuses behind, nine-hit pitching of "Porky" Schell and "Ready for Freddy" Schelman.

The Aurora team gave Lefty Andrews fine support and only bobbled once. Andrews allowed but five hits and was never in trouble. Kyle made some beautiful fielding plays at short and Ron Simmons and Norm Stunden paced the hitters with two apiece. Simmons got the longest hit of the night, a lousy triple, which drove in two runs.

The win boosted Aurora into second place with Stouffville still holding down first and George Haskett's Newmarket nine bringing up the rear.

Aurora: Simmons 2b, Stunden 1b, McGhee lf, Kyle ss, McDonald c, Andrews p, Neal lf, Sutton 3b, Doolittle cf, Nigh lf, Summers rf.

Stouffville: Minton 3b, Campbell rf, Schell c, Sellers 2b, Procenko ss, Raxlin rf, Jewitt cf, Schell p, Miller 1b, Schelman p.

ATTEND MEAFORD CAMP

Aurora — Seven members of the North York Squadron, Queen's York Rangers, are attending the Reserve Army camp at Meaford this week, where they are receiving advanced armored training. In the group are Lieut. Fred. Rowe, Lieut. Bill Williams, Sgt. William Waite, Sgt. Sydney Lustie, Cpl. Pete King, A/Sgt. Gordon Fitz, and L-Cpl. Alex. McLean. They will return home on Sunday.

MIDGETS LOSE 8-2

Markham midgets took an 8-2 verdict over the Aurora midgets at Markham on Monday night. Doug. James' youngsters played great ball all the way and were never in danger.

LEGION NEWS

The following captains were appointed for the July 1 booths: Fred Gardiner, Paul Tobey, Cecil Jarvis, Harold Sanderson, Arthur Bryner, Howard Brice, Phil Melko, F. Conklin, Grant Dillane and Donald Scott. The administrative booth will be handled by the executive and members of the Legionaires at these booths. Further particulars can be obtained by contacting any of the above.

The following ticket salesmen are to meet at 1.30 on Saturday, June 28, at the unemployment office, 93 Main St., to travel by truck around Lake Simcoe to Jackson's Point with a P.A. system and advertise the July 1 rally: organizer, Aubrey Seythes, Jim Lloyd, Wm. LaParde, Gordon J. Downward, Phil Melko, Calvin McAfee, J. Bryner, Mike Thompson and Arthur Bryner. The ticket salesmen who will work in town on Saturday are: organizer, Aubrey Marshall, Ken Stiver, Gordon Ough, Jack Higginson, George Wales and Grant Dillane.

Juniors Not Ready Yet For Freddie Schepelman

By GEO. HASKETT, JR.

Newmarket — It was just a case of too much Freddie Schepelman when Stouffville juniors moved into town last Friday. Schepelman set down the canal town juniors with six hits securing a 7-1 victory for the visitors. The largest crowd of the season turned out to see the game.

Southpaw Ivan Gibson took the mound for the Redmen, but went out in the third after the Stouffville boys broke out in a barrage of base hits that earned them five runs. Tommy Dales came to the rescue to cut short the rally, allowing one run to the visitors before the side was retired. The Stouffville rally proved enough to win the game. Schepelman was invincible until the sixth, when the Redmen recorded their one tally, Grant Blight scoring on Johnny McTavish's single. Third baseman McTavish was the only hitter of the local crew to find the offerings of Schepelman to his liking, having a perfect night at the plate. He doubled in the second and came through with one-base knocks in the fourth and sixth. The other hits fell to the bats of Jimmy Rutledge, Grant Blight, and Tommy Dales.

SHARON

Mr. and Mrs. Fred. Hall visited friends in Toronto on Sunday. Mrs. L. Legge, Aurora, spent last Wednesday with Mrs. Somerville.

The July meeting of Sharon Women's Institute will be held at the home of Miss M. Shaw, July 2, at 2.30 p.m. Roll-call will be to give the name of the month born in and pay one cent for each letter. Current events by Mrs. J. Hall, a paper by Mrs. Ramsay on agriculture are part of the program. Refreshment committee includes Miss Edith Haines, Mrs. E. F. Ramsay, Mrs. K. Weddell.

JUNIORS DOWN SUTTON, WINGER STARS AT BAT

By GEO. HASKETT, JR.

Sutton — Ken. Broughton's strong right arm earned Newmarket Redmen an 8-2 victory over Sutton Greenishirts at Sutton on Monday evening. It was Sutton's first official game in the North York junior baseball league.

Broughton pitched good ball, allowing but three hits, and except for a walk, an infield error, and Wei's single in the third, which yielded Sutton two runs, would have had a shut-out. The Redmen pushed home a single run in their first inning, and upped their total with four in the second. Harry Hill, Tommy McHale, Jim Rutledge and Grant Blight scored. In the fourth they tacked on two more on three errors by the Lake Simcoe forces and Stan. Winger's two-base blow. In the fifth Tommy McHale crossed the plate with the eighth run on Stan. Winger's second double of the game.

Catcher Stan. Winger had a perfect night with the bat, poling out two doubles and walking twice. Johnny McTavish also racked up a perfect average at the platter, with a single and three free trips to first. Jimmy Rutledge, Ken. Broughton, and Harry Hill, also connected for safeties.

Left fielder Harry Hill provided the star fielding play of the contest, making a nice catch on Lake's bid for a hit, and nipping Taylor at the plate with a perfect throw when he attempted to score after the catch.

Keith Kyle, 17, Wins "Gar" Doolittle Trophy

Aurora — Keith Kyle, 17-year-old all-round athlete at Aurora high school, has been chosen as the first winner of the Garfield Doolittle Memorial trophy, for the best all-round athlete. Kyle, who hails from Teston, is the third member of his family to have excelled in sports at the Aurora school.

Competition was close, the winner scoring 45 points and three other candidates being within five points of the winning total. The committee made its decision in camera on Saturday. The results were announced by Principal J. H. Knowles, chairman of the board of trustees.

Keith played centre on the championship junior basketball team, goal in hockey, infield in baseball, goal in soccer, and captained a track and field team. In addition he plays regularly for Aurora junior baseball club and goal for King City intermediate team in hockey.

JRS. PLAY FRIDAY

Newmarket Juniors play Aurora here, Friday night in a scheduled game at Stuart Scott school grounds. Game starts 7 p.m.

LIBRARY CORNER

By CAROLINE E. ION

Two outstanding books which have recently been purchased for the juvenile section of the Newmarket public library are Young People's Book of Atomic Energy by Robert D. Potter and Famous Violinists for Young People, Gladys Burch.

Although both of these books were written for teen agers, they will find a large reading public among the adults. In Famous Violinists for Young People, Gladys Burch tells of the mystery of the violin's beginning and traces its origin to the lira and rebec. The construction of the violin is simply told but in full detail and an interesting chapter follows on the famous violin makers of the ages.

Biographical sketches of 14 leading players are presented in a most delightful style by the writer and a portrait of each is also included. The chapters on Fritz Kreisler and Albert Spalding are most absorbing.

Young People's Book of Atomic Energy is written with such clarity and simplicity that readers of 12 years of age will understand and enjoy it. Robert D. Potter, the author, is a scientist and teacher and was an observer at Bikini Atoll. The scientific data regarding the splitting of the atom and the preparations for the atom bomb are told with amazing simplicity but so picturesquely that the reader feels he is present at Operation Crossroads with the author.

Both of these books are new arrivals at the Newmarket Public Library.

FOUR-FOOT LIMIT

A motion to the effect that new buildings or alterations on present buildings should not be built within four feet of the present established street line on either side of Main St. from Millard St. north to Davis Drive, was carried unanimously.

Letters to the editor are always welcome.

AURORA SOFTBALLERS LOSE 9-4 TO THE HILL

Aurora — Teddy Bennett and his mates from Richmond Hill spoiled the home debut of Aurora softballers on Friday night as they took a 9-4 win from the Rogers-Closs clan. The game went nine innings, and until the seventh, the Aurora boys were in the thick of the fray. At one stage the locals led 2-0. Then the Hill came back to make it 3-2. Aurora went ahead 4-3, only to have the tying run put across ahead of an infield out in the next frame. A dropped foul pop, which subsequently saw the batter lash out a double, a passed ball, and a momentary lapse by pitcher Ed. Tidman accounted for the winning margin in the first of the seventh. Actually, there should have been no runs scored.

Bennett had his floater ball working to perfection, and the eager Aurora hitters swung desperately, in most cases to no avail. Bill Dyke and Earl McDonald led the Aurora hitters, while Red Castles was the star of the night, as he stabbed four fly balls and played his position faultlessly.

Aurora: Case c, Tidman p, McDonald 1b, H. Sutton 2b, W. White ss, R. White 3b, Castles rf, Hodgins cf, Dyke lf.

Richmond Hill: Clement c, Bennett p, Stunden 1b, Saul 2b, Buchanan 3b, Redmond ss, A. Crean cf, A. Stong rf, H. Rose lf, Echlin c, Scott rf.

VETS EDGE 'STAFF 6-5 AT S.S. GROUNDS

Newmarket Veterans defeated Longstaff 6-5 last week with Mickey Smith paving the way with four hits in five trips to the plate. The Vets assured their victory in the eighth with a four-run rally off the bats of Eves, Walsh, Smith and Charlie VanZant.

Glover started on the mound for the Vets with Bill VanZant finishing the game. Vets lineup: Gibney, Eves, Walsh, Smith, Charles VanZant, F. Evans, S. Evans, Cain, Glover, and Bill VanZant.

DOWN AURORA 14-9

Richmond Hill softballers defeated Aurora 14-9 at the Hill on Tuesday evening in a free-hitting game. Aurora lost the game in a last inning drive by the Hill.

The North York GARDENER

By JOHN DALY
Vice President, Newmarket Horticultural Society

These are busy days for the gardener. With hoeing, cultivating and spraying there doesn't seem to be much time for anything else. Still, the future demands that other things be taken care of. One of these is the sowing of biennial and perennial seed. The former particularly should be started now so as to healthy plants before the cold-terbary Bells, Sweet William and Digitalis are probably the most popular of these and all come easily from seed. The best method of starting seed is the cold frame and possibly suggestions on how to make one would be in order here.

A cold frame is a bottomless box, higher at the back than at the front and covered with a window sash. It can be any size to suit your convenience but is usually about 3' x 6'. If you intend setting it on top of the ground, the back would be about 12" high and the front six to seven inches. A better way is to dig a shallow pit about 3" deep and set the frame on the bottom. The height of the frame would then be extended so that the above measurements would still apply from the ground level. One-inch boards of moisture resistant wood such as cypress or cedar make a more permanent job. Angle iron serve to hold the sides together.

If you want to dig the pit deeper so much the better. The soil from the pit should be conditioned by adding about equal parts sand and well rotted manure or soil from the compost heap. The sand gives good drainage and the humus supplies good moisture holding properties. If you already have an old sash then make the frame to fit it. If possible have it in a place where it is protected from the north and northwest winds and sloping to the south. The soil should be well watered several hours before sowing your seed.

The seed should be sown thinly in rows and a good way to make the drills is to lay a pencil flat on the soil and press it down. The depth, of course, depending on the size of the seed. The usual rule is plant the seed about three to four times their depth. Lupin seed, which is fairly large, can be planted about half an inch deep while Delphiniums would go not quite a quarter of an inch. Some very tiny

JULY 1 JAMBOREE HITS JACKPOT

Newmarket Canadian Legion is holding the big annual field day on July 1 and through the efforts of the Aurora Cycling club, they have come up with a real "featcha attraction". The Dominion Cycling Championships will be staged over the Newmarket track and as this is the year previous to the Olympics there'll be some torrid competition by the wheelmen. Some fine work has been done by Newmarket council in righting the conditions of the track and fine weather will bring close to 100 of Canada's outstanding cyclists to Canaltown. We don't intend to beat the drums for any of the other attractions arranged by Dr. Carl VanderVoort and Gordy Ough, except to say it looks like a regular three ring circus.

Twenty-two races are carded for the day. In the open class there will be heats and finals in the quarter, half, one-mile and five-mile events. In addition there will be a Class B mile, Canadian novice one-mile championship and a special one-mile event for the Aurora-Newmarket district. 'Tis rumored and we're pretty certain about it all that Torchy Peden, the famous six-day bike rider, will be on hand in a scouting role to look over the field and with a few contracts in his hip pocket. The field will largely be from Montreal, Cornwall, Oshawa, Hamilton and Toronto but word comes from out of the west that St. Boniface in Manitoba is sending a four-man team and officials. There is a big 25-mile race coming up at Buffalo next Sunday which means that there may well be other riders from a distance entered at Newmarket and competing in both races as the Manitoba riders will do. Jimmy Tettamanti, Dick Mitchell, Eric Oland and one other will make the long train ride from the west.

Local competition will provide an added fillip to the races. Cliff Chapman and Bob Benville will be competing in the open classes and Benville right now is doing the fastest time in his career. There is some question of the status of Orla Larson but it looks as if he will have to ride in the open class, too. There are handicaps in some of the events to even up the classes. That trio will do all right, especially with the local fans to cheer them on. Jack Offord is pretty sweet on the chances of two Aurora boys, Billy McClelleny and Cliff Heath, for the novice races. McClelleny right now is the leading candidate for the Dawson trophy, emblematical of the club championship. Both boys will be in there trying for all they're worth. Shortage of equipment is playing hob with the cyclists and prices for supplies are really inflated. The cost of a pair of racing tires is close to \$24, over double what it was before the war. Given good weather, however, bad tires, old equipment and all, the cyclists will put on a show such as Newmarket has never seen.

The travesty of it all is to see Aurora without a racing oval and the Aurora executive forced over to Newmarket to put on the show. It is to be hoped the Aurora town planning committee will recommend to council the acquisition of some property suitable for holding track meets, cycling, trotting races and the horse show. The present facilities of the Aurora town park are taxed to capacity now and were never meant for horse shows and events of that type.

MOUNT ALBERT BOARD TO CLOSE CONTINUATION SCHOOL

Mr. and Mrs. C. Leach, Lyall and Lois, Toronto, were weekend visitors at the home of Mr. and Mrs. Robt. Wilson.

Mr. and Mrs. Ashforth, Effie, Muriel, Ross, Toronto, were at the home of their sister, Mrs. J. Rennie, on Sunday.

At a ratepayers meeting held in the continuation school on Friday evening, it was decided to close the school and make arrangements to have all the pupils taken over to Newmarket high school as the board decided it would be a saving in funds to do this.

The Cheerio Group will meet on Saturday evening at 8 o'clock at the home of Mrs. H. Shilling. A good attendance is requested as arrangements will be made for the picnic and there will be a cookie demonstration.

Seed such as poppies are sown on the surface and just pressed into the soil with a flat board. With the tiny seed a little dry sand mixed with them helps to thin them out and at the same time just barely covers them. Sow the seed in rows, marking the name at the end of each. A wood label is a handy way to do this. Keep the frame covered with burlap or some other medium to prevent the soil from drying up too fast until the seeds start to sprout. Even then it should be shaded from the very hot sun.

After they have formed their second pair of leaves transplant them into flat or 2" pots to grow into plants strong enough to move into their permanent place.

Next week we will consider various types of seed for the novice.

AURORA TAKES 10-3 WIN FROM STOUFFVILLE

Coach Yorky Smith, Stouffville juniors, may know nothing of the works of William Shakespeare but his proteges put on a first grade performance of The Comedy of Errors on Monday night at Aurora town park as the Aurora juniors coasted to a 10-3 win. The Stouffville team made no less than 11 misuses behind, nine-hit pitching of "Porky" Schell and "Ready for Freddy" Schelman.

The Aurora team gave Lefty Andrews fine support and only bobbled once. Andrews allowed but five hits and was never in trouble. Kyle made some beautiful fielding plays at short and Ron Simmons and Norm Stunden paced the hitters with two apiece. Simmons got the longest hit of the night, a lousy triple, which drove in two runs.

The win boosted Aurora into second place with Stouffville still holding down first and George Haskett's Newmarket nine bringing up the rear.

Aurora: Simmons 2b, Stunden 1b, McGhee lf, Kyle ss, McDonald c, Andrews p, Neal lf, Sutton 3b, Doolittle cf, Nigh lf, Summers rf.

Stouffville: Minton 3b, Campbell rf, Schell c, Sellers 2b, Procenko ss, Raxlin rf, Jewitt cf, Schell p, Miller 1b, Schelman p.

ATTEND MEAFORD CAMP

Juniors Not Ready Yet For Freddie Schepelman

By GEO. HASKETT, JR.

Newmarket — It was just a case of too much Freddie Schepelman when Stouffville juniors moved into town last Friday. Schepelman set down the canal town juniors with six hits securing a 7-1 victory for the visitors. The largest crowd of the season turned out to see the game.

Southpaw Ivan Gibson took the mound for the Redmen, but went out in the third after the Stouffville boys broke out in a barrage of base hits that earned them five runs. Tommy Dales came to the rescue to cut short the rally, allowing one run to the visitors before the side was retired. The Stouffville rally proved enough to win the game. Schepelman was invincible until the sixth, when the Redmen recorded their one tally, Grant Blight scoring on Johnny McTavish's single. Third baseman McTavish was the only hitter of the local crew to find the offerings of Schepelman to his liking, having a perfect night at the plate. He doubled in the second and came through with one-base knocks in the fourth and sixth. The other hits fell to the bats of Jimmy Rutledge, Grant Blight, and Tommy Dales.

SHARON

Mr. and Mrs. Fred. Hall visited friends in Toronto on Sunday. Mrs. L. Legge, Aurora, spent last Wednesday with Mrs. Somerville.
